

Hegin RoHS Statement

Hegin Metalfinishing B.V. herewith declares that below mentioned coatings are compliant with the following EU-regulations:

2000/53/EG ELV
2015/863 RoHS 3

Electroless deposited:

Electroless Nickel mid phos on all substrates
Electroless Nickel high phos on all substrates
Niflon plating (Nickel PTFE) on all substrates

Electroless deposited:

Silver on all substrates
Tin on all substrates

Conversion coatings:

Chromiteren (Cr³⁺ conversion layer on aluminium substrates)

Anodising:

Colour anodizing
Hard anodizing

Stainless steel treatments:

Pickling and passivation
Electro polishing
